The Good, the Hype and the Ugly (1/3) At MojoTech, we constantly evaluate our processes and tools to improve the way we build great products for our clients. We follow the Agile Methodology but employ its various techniques dependent on the needs of an individual project.

Review: Agile! The Good, the Hype and the Ugly (1/3)

This week I ' ll take a look at what Meyer considers "hyped" about agile. Meyer considers these agile practices neither helpful nor hurtful to building impactful products. While many of these practices can be beneficial, they need to be examined on a project-by-project basis to ensure that they are applied appropriately. And off we go with the hype! 1.
