-It is HIGHLY recommended to thoroughly enjoy this story that you do NOT read spoilers or reviews. It is BEST to go on blind.- Fresh off of a broken heart I met Cal Scott. He was just what I lacked, a beautiful distraction. At six-foot-two, with ebony hair, storm gray eyes, and a smile that could only hide an agenda, I knew he was trouble. And for the first time in my life, a little trouble was just what I needed. No. What I wanted. It wasn't like I'd ever marry the guy. Until I did. What I thought would be my happily ever after, was only the beginning. Cal has a secret. One that makes loving him come with a price, and being his wife cost more than I bargained for.

The conclusion to the If I Break Series. Cal's back and his arrival changes everything. Lauren knew it was coming but what she didn't think he'd bring with him was an ultimatum. A choice. One that Lauren feels trapped under. A choice she's unsure will make a difference but could possibly change everything. The ultimatum isn't the only thing Cal's got with him but answers. The ones Lauren so desperately craves. But the truth won't only affect the lives of he and Lauren but everyone around them...and not everyone wants the truth to come out. The good thing is Cal doesn't give a F....There's two sides to every story. In this one there's three.

I knew he would ruin me from the moment we met. Everything about the man screamed confidence. Sensuality. Intelligence. Worldliness. But it was how he saved me that ruined me most. Through him, I learned to end my path of self-destruction. I no longer needed to numb the pain with mindless one-night-stands and drunken blackouts. He made me feel worthy. Treasured. Optimistic about my future. Here I stand four years later, in a coffee shop a world away, still broken...but beautifully so. My scars no longer hold me back. Instead, they give me strength and enrich my appreciation for the good things in life. I have hopes and dreams...faith that anything is possible. I am no longer the lost little girl fighting for survival. I have direction. I have courage. I am not without possibility. I'll always have Gavin to thank for that-Mr. Cooper, I remind myself. That's who he is to me now: just a former teacher. I know what you're thinking, but don't worry. I was eighteen when we first met. Legally, we did nothing wrong. Morally? Well, I guess that depends on how flexible your morals are. My name is Kat and this is my story.

The first book in the Beautifully Broken series. Twenty-four-year-old Pax Tate is not always a nice guy. He's a tattooed, rock-hard bad boy with a bad attitude to match. But he's got his reasons. His mother died when Pax was seven, leaving a hole in his heart filled with guilt. As Pax grew up, he tried to be the perfect golden boy but his dad couldn't overcome his grief long enough to notice. Pax couldn't keep up the impossible perfect façade, so he slipped far, far from it. Now, he uses drugs and women to cope with the ugly, black void in his heart. Until he meets sweet, beautiful Mila Hill. Mila is a carefree smile to his hardened frown, the beauty to his beast. When memories of his mother's death resurface, Mila is there to help him mend his broken heart . . . but only if he can stop being a jerk long enough to allow it. Pax says he's working on it. But is that enough to make her stay?

A woman who's lost everything. Taylor is looking for peace and quiet away from the memories of all she's lost. A small mountain town where no one knows her seems like the perfect escape. A man battling the ghosts of his past. Walker loves his life just the way it is. His town, his family, his brothers in blue. Everything simple and easy—until a chance encounter changes it all. When Taylor's solitude is interrupted by the rugged cop, they find that the very thing they were avoiding might be just what they both need. As their iron wills clash and passion flares... a killer lurks. And you never know who might be caught in the crosshairs. **** Read what others are saying about Beautifully Broken Pieces: "A small town romance that gripped me from the very first page. Authors Note: This is the second book in the IF I BREAK series. I would highly suggest reading the series in order. The first book in the series is currently free. Lauren Brooks fell in love with Cal Scott at twenty one, married him at twenty two and had her heart broken at twenty three when he walked out of their marriage. At twenty five, while raising their daughter on her own, Lauren is finally moving on with her life...until she learns the reason for Cal's abandonment. The walls she had carefully built around her begin to collapse. The day she meets Chris, all those feelings she thinks she has bottled up tightly come spilling out. She can't afford to give in to her heart's desire again. Love nearly broke her once, and her daughter doesn't need two broken parents. Christopher Scott is in love and newly engaged to Jenna, who saw him through an illness he didn't think he could survive. He's finally settling into the life he's always wanted, and he's making plans he only dared to dream before now. That's when a woman named Lauren arrives on his doorstep. She's intriguing, beautiful and, try as he might, he can't stay away. The closer he gets to her, the more his rock-solid plans begin to crumble. All he knows is that Lauren is the missing piece to a puzzle he must solve. For him to put all the pieces in place, he'll have to follow his heart, and that might cost him everything...

She's hiding secrets. For Anna, keeping her deepest scars hidden from the world has always been a necessity—from the bruises of her childhood to the mistake that nearly cost her everything. To keep herself safe, she must keep everyone around her at a distance—especially the man who has tempted her since the moment they met. His demons are taunting him. Mason has done his best to bury the past by achieving more than he ever thought possible. But even with all of his success, his life feels empty. When tragedy strikes, Anna is left fighting to protect the only family she has left. And Mason will do anything to keep her and her loved ones safe—even if that means the ring of wedding bells. But as a new spark ignites between them, someone is watching. And they'll do whatever it takes to snuff out that light for good. *** I adore the fake relationship trope and Catherine Cowles knocked this one out of the park! Emotional, heart-warming, steamy and suspenseful—Anna and Mason's story has it all!"—Samantha Young, New York Times Bestselling Author **** Read what others are saying about Catherine Cowles: "I fell in love with these characters, with the writing, and with this unexpected story. PiperMost people don't think about the day they'll die. They coast through life, blissfully unaware of how their time is ticking away. I wasn't like most people. I welcomed death, wanted her to take me away from the prison I called life, but she refused. I tried twice only to survive. And then, when I thought I had nothing left it came. A reason to live. Rex was a small, unexpected ray of light my world of darkness that blossomed into a beam of sunshine. I thought, maybe this was why Death didn't take me. Maybe she knew that if I held on a little longer things would turn around. But the third time Death came to my door wasn't by choice. Someone else brought her, and I fear this time she might take me.RexBeing the son of a country star sucks. My parents are never around, I move every year or so, and I have no real friends. Everyone around me has an agenda. Everyone except Piper Lovelace. I can't get that girl to notice me. Trust me I've tried. Thankfully, fate stepped in and gave me the break I needed. I've got her attention, now I need her to give me a chance.

This is book 4 in the If I Break Series. It is strongly suggested to start at book 1 which is currently free. When you're heartbroken, it lies beneath everything that you do. It's in all of who you are. Foreshadows who you'll be. It hides underneath your smile, rests between your laugh, revels in your tears and taunts your every thought. You wish it away but are too terrified to let it go.... When Cal first disappeared I swore my heart had broken, and before all of this is over I swear it will shatter into pieces.
