In Beyond Fear, he focuses on practical security measures, largely in the context of air travel in a post-9/11 world. With simple, concrete, and logical examples (and indeed an complete security process), he explains how security tradeoffs are driven by specific agendas, and that increased security in one area usually leads to overlooked or weakened security in another area.

Bruce Schneier. 4.02 - Rating details - 61 ratings - 52 reviews. In "Beyond Fear," Bruce Schneier invites us to take a critical look at not just the threats to our security, but the ways in which we're encouraged to think about security by law enforcement agencies, businesses of all shapes and sizes, and our national governments and militaries. Schneier believes we all can and should be better security consumers, and that the trade-

Beyond Fear goes beyond the hype, and explains how we all can think sensibly about security. In today's uncertain world, security is too important to be left to others. Drawing from his experience advising world business and political leaders, Schneier demonstrates the practicaland surprisingly simplesteps we can all take to address the real threats faced by our families, our communities, and our nation.
