Review The Theory

In this chapter we address the development of a single domain: everyday understanding of the mind. We suggest that this development is best understood as the formulation of a succession of naive theories. Moreover, this “ theory theory ” can help to characterize cognitive domains more generally and to explain domain-specific development.

The Mandalorian: 2.02 Chapter 10: The Passenger. 7 minute read. Posted by Chris Philp Published 8 Hours. After the action packed cinematic spectacle of its season opener, The Mandalorian scales everything back this time out and delivers a highly entertaining but arguably superfluous episode. Carrying on literally from the conclusion of its predecessor, The Passenger starts with Mando and his ward hightailing it back to Mos Eisley on their swoop bike.
