Book Review: Friends Not
Masters Author: Mohammad Ayub
Khan Review by Raza Bashir. Even
though it is an autobiography that the
author calls a political commentary,
one gets the feeling that the author
has tried to go over the exercise in a
very impersonal manner. Apart from
the chapter relating to this youth the
author has seldom tried to go over the
events and affairs of his life in an
emotional context.

~~Mohammad Ayub Khan (Author of Friends, Not Masters)~~

November 08, 2018. A genuine correlation between the two words 'friends' and 'masters' is only half true. Either individuals, groups or the nations would be friends or in a subject-master relationship but not co-existing as masters as well as friends. In foreign policy absolute friendship amongst the nations is only a myth.
