"The best college guide you can buy."--USA Today Every college and university has a story, and no one tells those stories like former New York Times education editor Edward B. Fiske. That's why, for more than 30 years, the Fiske Guide to Collegeshas been the leading guide to 320+ four-year schools, including quotes from real students and information you won't find on college websites. Fully updatedand expanded every year, Fiske is the most authoritative source of information for college-bound students and their parents. Helpful, honest, and straightforward, theFiske Guide to Collegesdelivers an insider's look at what it's really like to be a student at the "best and most interesting" schools in the United States, plus Canada, Great Britain, and Ireland--so you can find the best fits for you. In addition to detailed and candid stories on each school, you will find: -A self-quiz to help you understand what you are really looking for in a college -Lists of strong programs and popular majors at each college

Provides an overview of the laws of selected countries in North and Latin America, Europe, Asia, and former Commonwealth countries. Includes United States.

"The best college guide you can buy."--USA Today Every college and university has a story, and no one tells those stories like former New York Times education editor Edward B. Fiske. That's why, for more than 30 years, the Fiske Guide to Colleges has been the leading guide to 320+ four-year schools, including quotes from real students and information you won't find on colleges' websites. Fully updatedand expanded every year, Fiske is the most authoritative source of information for college-bound students and their parents. Helpful, honest, and straightforward, theFiske Guide to Collegesdelivers an insider's look at what it's really like to be a student at the "best and most interesting" schools in the United States, plus Canada, Great Britain, and Ireland--so you can find the best fits for you. In addition to detailed and candid storieson each school, you will find: \*A self-quiz to help you understand what you are really looking for in a college \*Lists of strong programs and popular majors at each college \*\*Overlap" listings to help you expand your options \*Indexes that break down schools by state, price, and average debt \*Vital information on how to apply, including deadlines, fees, and test requirements \*Exclusive academic, social, and quality-of-life ratings \*All the basics, including financial aid stats, SAT/ACT scores, and acceptance rates Plus a special section highlighting the 44 public and private Best Buy schools--colleges that provide the best educational value "I send students to Fiske before I send them anywhere else." --Director of College Counseling, Los Olivos, CA

Text on illustrated pages in large print.

A rich overview of masterpieces from the original school of fine arts, with works from the seventeenth through nineteenth centuries.

Sustaining Social Inclusion is the third book in a series on social exclusion and social inclusion. It explores what different understandings of sustainability mean in respect of social inclusion in the variety of fields that deal with human health and well-being. The book is global in its scope, with chapters relating to socially inclusive health and social welfare practice internationally. This book is divided into seven parts: Introduction; Sustainable policies for promoting social inclusion; Sustaining programmes which support social inclusion; Sustaining organisations which promote social inclusion; Sustainable social inclusion outcomes; Sustainable social development; and Conclusions. It examines how social inclusion can be sustained in the long-term when funding tends to be time-limited. This research-based book is relevant to a wide range of different readerships globally. It addresses issues of concern for those engaged in debates about the provision of health, social welfare, and other public services. Sustaining Social Inclusion will be of interest to academics, policy makers, and practitioners in a wide range of fields, including public health, health promotion, health sciences, history, medicine, philosophy, disability studies, social work, social policy, sociology, and urban planning.
