Your #1 Practice Test Resource Mometrix Test Preparation's NCLEX PN 2019 Practice Questions are the simplest way to prepare for your National Council Licensure Examination for Practical Nurses. Practice is an important part of preparing for a test and improving your chance of success. Mometrix practice questions are designed to prepare you for the real test. You could know everything that is going to be covered on the test but still perform poorly if you have never worked with NCLEX practice questions. Being familiar with the different types of questions and answer choices that you might see on the official test is a big advantage. Another benefit of taking practice tests is that you can measure your performance. They help you decide if you need to study and practice more or if you're ready for test day. Doing well on a Mometrix practice test helps you gain confidence that you are prepared. If you struggle, the practice test helps identify areas where you need to work. Using our NCLEX practice test questions allows you to reinforce your strengths and improve your weaknesses. Mometrix includes detailed answer explanations for each question. It may sound obvious, but you need to know which questions you missed and why you missed them. This helps you avoid making the same mistakes on the real test. That is why our NCLEX PN 2019 Practice Questions include answer keys with detailed answer explanations. These in-depth answer explanations will help you to better understand any questions that were difficult for you. Mometrix Test Preparation is not affiliated with or endorsed by any official testing organization. All organizational and test names are trademarks of their respective owners.

NCLEX-PN Practice Questions are the simplest way to prepare for the NCLEX-PN test. Practice is an essential part of preparing for a test and improving a test taker's chance of success. The best way to practice taking a test is by going through lots of practice test questions. Taking lots of practice tests helps ensure that you are not surprised or disappointed on your test day. Our NCLEX-PN Practice Questions give you the opportunity to test your knowledge on a set of questions. You can know everything that is going to be covered on the test and it will not do you any good on test day if you have not had a chance to practice. Repetition is a key to success and using practice test questions allows you to reinforce your strengths and improve your weaknesses. Detailed answer explanations are also included for each question. It may sound obvious, but you have to know which questions you missed (and more importantly why you missed them) to be able to avoid making the same mistakes again when you take the real test. That's why our NCLEX-PN Practice Questions include answer keys with detailed answer explanations. These in-depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand.

Prepare for the NCLEX with this fun, full-color review! Illustrated Study Guide for the NCLEX-RN® Exam, 9th Edition uses colorful drawings and mnemonic cartoons to cover the nursing concepts and content found on the NCLEX-RN examination. A concise outline format makes studying easier, and the Evolve companion website includes 2,500 NCLEX exam-style review questions (including alternate item formats) - allowing you to create practice exams, identify your strengths and weaknesses, and review answers and rationales. Written by NCLEX expert JoAnn Zerwekh, this study guide offers a clear, visual way to remember key facts for the NCLEX exam. UNIQUE! Mnemonic cartoons provide a fun, easy way to review and remember key nursing concepts and disease processes. UNIQUE! The integrated systems approach incorporates pediatric, adult, maternity, and older adult lifespan considerations in each body system chapter. Practice questions on the Evolve companion website are available in both study and quiz modes and separated by content area, allowing you to customize your review based on your personal study needs. UNIQUE! Appendixes for each chapter summarize medications and nursing procedures for quick reference. Alternate item format questions on Evolve prepare you for the interactive question types on the NCLEX examination, including priority drag-and-drop and hot-spot (illustrated point-and-click) questions. Answers and rationales for all review questions show why correct answers are right and incorrect options are wrong. Separate chapters on pharmacology and nursing management help you to focus on these areas of emphasis on the NCLEX examination. Nursing Priority boxes make it easier to distinguish priorities of nursing care. Pharmacology tables make key drug information easy to find, with high-alert medications noted by a special icon. Special icons distinguish pediatric and adult disorders, and identify content on Self-Care and Home Care. UPDATED content reflects the most recent NCLEX-RN test plan and incorporates important clinical updates. NEW! 2,500 review questions are now included on the Evolve companion website, adding more 200 questions to the total on the previous edition. NEW! Addition of SI Units and removal of trade-name drugs reflects changes in the NCLEX-RN test plan. NEW! Additional alternate item questions are included on Evolve, and new questions incorporating video are also added. NEW! Test Alert! boxes in the book highlight key concepts frequently found on the NCLEX examination. NEW! Additional memory notecard-type illustrations are included in the book to accommodate visual learners.
