Instrumental method books for level 2 band students, plus conductor score.

(Berklee Guide). Learn jazz drums from one of the classic texts of jazz drumming, Alan Dawson. This book presents some of his seminal thoughts about drumming technique. The book also includes several articles about jazz styles and history by DownBeat magazine editor Don DeMicheal, plus his insights about the soloing styles of jazz greats like Chick Webb, Gene Krupa, Buddy Rich, Max Roach, Art Blakey and others. This source material from two of the jazz era's most insightful champions of the drum set will teach you how to: develop your sense of time and jazz feel * master jazz rhythms and meter * play with greater independence and expressive nuance * perform essential beats * develop your soloing ability * and much more.

(Berklee Guide). Step away from the practice pad! Legendary drummer Rod Morgenstein reveals his innovative warm-up method designed to limber up your entire body. Features exercises to develop and improve your speed, power, control, coordination, independence, accuracy, endurance and agility. With this book, you'll gain a greater facility and command of the drum set, along with an increased feeling of confidence. "The definitive text for improving technical facility on the drum set." Ron Spagnardi Editor/Publisher, Modern Drummer
