Reflexivity in Language and Intercultural Education ...
Reflexivity refers to the capacity for individuals to understand the cultural system
and manage their own position within it. Reflexivity is a key concept in the
understanding of intercultural communication, particularly in recognising the ability
for individuals to understand and adapt to new cultural contexts.

The role of reflexive thought in the achievement of ...
Drawing on extensive scholarship and many years of teaching in UK higher
education, Joan Turner turns our gaze towards the taken-for-granted assumptions
about language in the academy, not least in the contemporary context of 'intercultural
communication', and calls for greater reflexivity about the practices in which we- as
scholars, teachers ...
