Volunteering will help you get a better understanding of the job and is a good way to make contacts in the publishing industry. You could volunteer by: proofreading documents for family or people you work or study with; writing or proofreading for student magazines or publications; proofreading for small businesses

The author shows readers how to get hired, using stories and examples of success from his more than thirty-two years in business

Visual-thinking graphic designers sometimes struggle to express themselves clearly and effectively in writing. Now there's help! The Graphic Designer's Guide to Better Business Writing teaches graphic designers how to write compelling business communications. Created especially to address the needs of graphic designers, this handy guide breaks the writing process down into simple, easy-to-understand stages and offers practical writing and presentation models that designers can put to use immediately. Real-life examples cover an array of essential topics: writing winning resumes and cover letters, landing accounts, writing polished letters and reports, creating design briefs, and much more. As a bonus, the authors include time-saving insider tricks of the trade, gleaned from interviews with design professionals and creative directors from across the country. Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

Grouped by general topic, this collection of the best "Sales Clinic" columns in Hotel Management written by Howard Feiertag over the course of 35 years provides an abundance of juicy nuggets of tips, tactics, and techniques for professionals and newbies alike in the hospitality sales field. Readers will take a journey down the road of the development of hospitality sales from the pre-technology era (when knowing how to use a typewriter was a must) to today's reliance on digital technology, rediscovering that many of the old techniques that are still applicable today.

Whether you're searching for a new job or trying to hang on to the one you have,5 Necessary Skills will give you the advantages you need. You'll learn:•Çó how to be proactive•Çó how to be cognizant of and recognize what's going on in your company•Çó the importance of networking•Çó the importance of finding a mentor•Çó and how to deal with bad bosses.Those people who exhibit the 5 Necessary Skills are the ones who will get and hold onto the best jobs-and you could be one of them."Does the prospective boss accept criticism or blame when the going gets tough? Bewary of people who constantly dish out criticism but can't take a healthy dose themselves."-Guy Kawasaki, Author, Co-Founder of Alltop.com (http://career.alltop.com)

Presents extended reviews of noteworthy books, short reviews, essays and articles on topics and trends in publishing, literature, culture and the arts. Includes lists of best sellers (hardcover and paperback).

Concise guide to making career transitions for health care managers and executives affected by mergers, acquisitions, and work redesign efforts.

Who hasn't felt the sting of rejection? It doesn't take much for your feelings to get hurt—a look or a tone of voice or certain words can set you ruminating for hours on what that person meant. An unreturned phone call or a disappointing setback can really throw you off your center. It's all too easy to take disappointment and rejection personally. You can learn to handle these feelings and create positive options for yourself. Don't Take It Personally! explores all forms of rejection, where it comes from, and how to overcome the fear of it. Most of all, you'll learn some terrific tools for stepping back from those overwhelming feelings. You'll be able to allow space to make choices about how you respond. —Understand the effect that anxiety, frustration, hurt, and anger have on your interactions with others. —De-personalize your responses and establish safe personal boundaries that protect you from getting hurt. —Practice making choices about the thoughts you think and the ways you respond to stressful situations. —Understand and overcome fear of rejection in personal and work relationships. Elayne Savage explores with remarkable sensitivity the myriad of rejection experiences we experience with friends, co-workers, lovers, and family. Because her original ideas have inspired readers around the world, Don't Take It Personally! has been published in six languages.
