In *Trust*, a sweeping assessment of the emerging global economic order "after History", Fukuyama examines a wide range of national cultures in order to divine the hidden principles that make a good and prosperous society, and his findings strongly challenge the

Online Library Trust The Social Virtues And The Creation Of Prosperity orthodoxies of both ...

Trust: The Social Virtues and the Creation
of Prosperity ...

Insisting that we cannot divorce economic
life from cultural life, he contends that in
an era when social capital may be as

Online Library Trust The Social Virtues And The

Creation Of Prosperity
important as physical capital, only those societies with a high degree of social trust will be able to create the flexible, large-scale business organizations that are needed to compete in the new global economy.

Online Library Trust The Social Virtues And The

Trust: The Social Virtues and The
Creation of Prosperity ...

Fukuyama says that the ability to trust and work with other people is necessary for economic success. (He calls this "social capital" early in the book but "sociability" later. I have no idea why.) In some places, people find it hard to trust outside the

Online Library Trust The Social Virtues And The Creation Of Prosperity extended family.

Trust: The Social Virtues and the Creation
of Prosperity ...

Modern cosmologists ask us to picture a
saddle-shaped universe, where time and
space are curved essences. Francis

Online Library Trust The Social Virtues And The

Fukuyama, in *Trust: The Social Virtues and the Creation of Prosperity*, his first book since his seminal post-Cold War work, *The End of History and the Last Man*, suggests the consideration of saddle-shaped societies.

Online Library Trust The Social Virtues And The

Trust: The Social Virtues and the Creation
of Wealth ...

Focusing on such factors as trust (a community's shared expectation of honest, cooperative behavior outside the family) and social capital (the values created by tradition, religion, or other means), the author examines the ability of various

Online Library Trust The Social Virtues And The
