height of his astonishing powers." Adverbs is a novel about love -- a bunch of different people, in and out of different kinds of love. At the start of the novel, Andrea is in love with David -- or maybe it's Joe -- who instead falls in love with Peter in a taxi. Cole is a boy in high school. He runs cross country, he sketches, he jokes around with friends. But none of this quite matters next to the allure of sex. "Let me put it this way," he says. "Draw a number line, with zero is you never think about sex and ten is, it's all

And he sleeps with a lot of girls, which is beginning to earn him a not-quite-savory reputation around school. This leaves him adrift with only his best friend for company, and then something startling starts to happen between them that might be what he's been after all this time and then he meets Grisaille. All The Dirty Parts is an unblinking take on teenage desire in a culture of unrelenting explicitness and shunted communication, where sex feels like love, but no one knows what love feels like. With short chapters in the style of Jenny Offill or Mary Robison,
